ALEXANDRIA ACADEMY.—The fall term of this institution, will commence on Monday, August 31st. The course of study embraces the usual branches of an English Education, the Latin, Greek, and French Languages, and a full course in MATHEMATICS. Youths can be prepared in this School for College, the Counting-Room, or the study of a Profession. Instruction is given by means of Text-Books, Lectures, and similar remarks and illustrations on each recitation.

To every student is assigned recitations sufficient, in the judgment of the teacher, to occupy the hours allotted to study; and, at the time for reciting, he is thoroughly examined, and such explanations are then given, as will enable him to understand the subject fully, and aid in impressing it clearly upon the mind.

A monthly report of each student, carefully made out from records preserved of all his recitations, is sent to parents and guardians, presenting a faithful account of his industry, scholarship, and general deportment.

The students will have the advantage of an attendance upon a regular course of LECTURES ON NATURAL PHILOSOPHY and CHEMISTRY delivered during the fall and winter months. These Lectures will be fully illustrated, by a beautiful and complete set of APPARATUS. The School is also supplied with Surveying Instruments, Globes, Maps, Charts and a REFLECTING TELESCOPE, of eight feet focal length, a powerful and effective instrument.

In connection with the present School, which has been heretofore open for the admission of day scholars only, a limited number of BOARDING SCHOLARS will be received. Those who attend the School as boarders, will reside in the family of the Principal, and in only a small number will be received, such attention to their moral and comfort will be given, as will, it is believed, supply, in a great measure, the tender solicitude received under the parental roof.

TELEGRAM.—The charge for boarding, washing, fuel and lights, with Tuition in English, Latin and Greek, \$150 a year, payable quarterly, in advance. The quarters to consist of 12 weeks each. Tuition in French, Drawing and Painting, an extra charge.
